Welcome New City Council Member Duff O'Dell

It is our pleasure to welcome the newest Council Member, Duff O'Dell, to the Grapevine City Council. Ms. O'Dell has lived in Grapevine where she raised her family since 1984. Duff said, "To say I fell in love with our town is an understatement." She began thinking about a City Council role about 15 years ago. Her retirement from her professional career offered the perfect opportunity to dedicate her full focus to the responsibilities of being an effective Council Member. Ms. O'Dell stated, "I want to be a voice for our citizens and represent our collective best interests in all the decisions made at the Council level."

Duff began her career working at the University of Georgia for several years before going to work for Delta Air Lines in 1973. After five years as a flight attendant, she became a front-line supervisor. Upon retirement from Delta in 2005, and after 32 and a half years of service, she was the director of all 14,000+ domestic-based flight attendants. Duff, then moved on to C.K. World Service Inc. at DFW Airport where she was the vice-president

of sales and marketing from 2005-2007 and was employed with Premier Bank Texas in Grapevine from 2007 to 2012.

Duff has been a business owner in Grapevine, a member of the Chamber of Commerce, the Women's Division (where she has held numerous offices and served on executive boards), was named Woman of the Year in 1992 and Ambassador of the Year in 1994. She was a charter member of the Grapevine Wine Pouring Society, Grapevine Historical Society and serves on the Historical Museum fundraising committee, past president of the Bay View Club, serves on the GRACE Board of Directors and was the D.E. Box Citizen of the Year in 2010. After joining the Rotary Club in 2005, she was named Rotary Rookie of the year and then Rotarian of the year in 2007.

Duff and husband Patrick have been married almost 40 years and have four grown daughters and 13 grandchildren. We are proud to welcome Duff to the Grapevine City Council. We wish her all the best in her new role.

Council Meetings Now Streamed Live On-line

City Council and P&Z Commission meetings are now streamed live and archived on the City's website, grapevinetexas.gov. You are invited to watch on-line meetings while they are taking place or watch them later. The archived meetings are bookmarked by agenda items so they are easy to navigate. You can follow the Quick Links on the City's homepage to view videos. If you have questions, contact the City Secretary's Office at 817.410.3182.

Do-Not Solicit List

In June, City Council passed an ordinance that created a Do-Not Solicit list. Once Grapevine residents add their address to the list, permitted solicitors are prohibited from soliciting that address. So far, more than 1,000 are registered. If you would like to register your address, visit grapevinetexas.gov or contact the City Secretary's Office at 817.410.3182.

Visit grapevinetexas.gov to subscribe to the City's weekly e-newsletter which features updates on City services, programs, and events. Enter your email address in the "Notify Me" box.

Alzheimer's Association Walk - Meadowmere Park

Help us reclaim the future for millions by joining the Alzheimer's Association Walk to End Alzheimer's on Saturday, October 11 at Meadowmere Park, 3000 Meadowmere Lane. Walk registration opens at 7:30am, opening ceremonies begin at 8:45am and the walk begins at 9am. Walkers will pay tribute to those affected by this disease.

This non-competitive fund-raising walking event benefits the Alzheimer's Association – North Central Texas Chapter and monies raised will be used to research a cure and to assist individuals already suffering with this disease. Alzheimer's disease is a growing epidemic and is now the nation's sixth-leading cause of death. As baby boomers age, the number of individuals living with Alzheimer's disease will rapidly escalate. Join us in the fight to end Alzheimer's by visiting alz.org/northcentraltexas or by contacting Ray Harris at rayharris00@yahoo.com.

Tree Sharing - Fall 2014

The City of Grapevine is proud to host its annual Tree-Sharing program for the 28th consecutive year! This program is a joint effort between the City of Grapevine and Grapevine Homeowners in "sharing" the cost, 50/50, of up to two trees per household planted in the homeowner's yard.

The trees are only \$100 each and are 30-gallon container, locally grown trees. The price includes planting, and a 6-month, one-time replacement guarantee. Single trunk trees will be 8-12 feet tall. Some species will be multi-trunk and will be 6-7 feet tall. All trees must be planted at least 30 feet from each other. The trees offered this year are:

Red Oak *Quercus shumardii*
Live Oak *Quercus virginiana*
Chinkapin Oak *Quercus muehlenbergii*
Chinese Pistache, *Pistacia chinensis*

New this year, we will offer trees that reach maturity at a much lower overall height for smaller spaces. These include:
Desert Willow, *Chilopsis linearis* (May be multi-trunk)
Mexican Buckeye, *Ungnadia speciosa* (May be multi-trunk)
Yaupon Holly Tree, *Ilex vomitoria* (May be multi-trunk)
Possumhaw Holly Tree, *Ilex decidua* (May be multi-trunk)
All of the trees offered this year are locally grown and do well in Grapevine.

Sales will begin Saturday, October 18, from 8am–1pm at the Botanical Gardens at Heritage Park, 411 Ball Street. The kick-off will run in conjunction with the Grapevine Garden Club Fall Plant Sale, Butterfly Flutterby, and Nash Farm's Fall Round-Up. There are a limited number of trees for sale and they will be sold on a "first come – first served" basis. Sales will continue each Monday – Friday, at the Municipal Service Center, 501 Shady Brook Drive from 9am to 4pm until all trees have been sold. Payments may be made by check or credit card. For more information, please call 817.410.3350.

Sunset Concert Series at the Botanical Gardens at Heritage Park - FREE

Enjoy a relaxing evening of various music styles surrounded by the beautiful Botanical Gardens, 411 Ball Street at Heritage Park on October 4, 11 and 18 from 7-9pm. Bring a blanket or chair to relax under the fall sky. Light refreshments will be available or you may bring your own (no alcohol, pets or glass allowed). Garden Docents will be available to answer gardening questions and children's gardening activities will also be available at the Ed & Edith Hewitt Educational Pavillion each evening during the concert series. This year's musical entertainment will include both previous crowd favorites and new artists. Please visit playgrapevine.com for specific dates and performer bios.

Plant NOW-Plant NATIVE Grapevine Garden Club Annual Plant Sale

Fall is the right time to plant! The Grapevine Garden Club is partnering with Grapevine Parks & Recreation in conducting its fall plant sale in conjunction with the annual Butterfly Flutterby event. National Night Out 2014

On Tuesday, October 7, 2014, neighborhoods throughout Grapevine will join forces with communities throughout Texas for the 31st Annual National Night Out. National Night Out is sponsored by the National Association of Town Watch and is co-sponsored locally by the Grapevine Police Department and Fire Department. It is designed to heighten crime prevention awareness, generate support for and participation in local anticrime efforts, strengthen neighborhood spirit and police community partnerships, and send a message to criminals letting them know neighborhoods are organized and fighting back.

If you are interested in having your neighborhood participate this year, please contact Sgt. Dale Roath at daler@grapevinetexas.gov or by calling 817.410.3206.

Storm Drain Markers

The City has installed Storm Drain Markers on most of the curb storm drain inlets in the City. These markers are a constant reminder that whatever enters the inlet will eventually find its way to our creeks and lakes. Each marker details where the water goes, what watershed the drain is in, and supplies a phone number to report illegal dumping. The only substance that should enter a storm drain is rain water. Remember, the storm drain system discharges directly to our local waterbodies and therefore, never reaches a water treatment plant. Whatever enters our storm drains goes straight to the environment! Please protect our water quality. Report illegal dumping to our storm system by calling 817.410.3334.

Take Control-Stop West Nile Virus

Mosquito season is here which means the potential for mosquito borne virus infection may be increased. The City of Grapevine will work to follow Tarrant County Public Health Department's recommendations as they relate to surveillance, information dissemination and control measures. Recommendations may include ground-based spraying of adulticide during the course of this year's efforts, if deemed necessary.

Residents are urged to protect themselves and their families from possible exposure to West Nile Virus and other mosquito borne diseases by following the FOUR D's:

- **DRAIN** all flower pots, bird baths, bottles, cans, and any other area where water remains stagnant. Even a thimble size amount of water can become a breeding ground for mosquitos.
- **DRESS** in long sleeves and long pants to avoid being bitten.
- **DEET** - Use an insect repellent that contains DEET prior to going outside.
- **DAWN and DUSK** - If at all possible, avoid being outside during dawn and dusk hours. This is when mosquitoes tend to feed.

How do people get West Nile Virus? People become infected when bitten by an infected mosquito. Visit the Center for Disease Control - cdc.gov/ncidod/dvbid/westnile for more information. You may also contact the City of Grapevine Environmental Services Division at 817.410.3334.

Stage 1 Drought Contingency Plan-Still In Effect

Due to the continued drought conditions in North Texas, Tarrant Regional Water District (TRWD), the raw water supplier for almost all of Tarrant County, including Grapevine, implemented their Drought Contingency Plan in May 2014. For additional information please visit savetarrantwater.com.

The City of Grapevine remains in Stage 1 of the Drought Contingency Plan. The Stage 1 drought measures include a twice per week limit on outdoor watering with sprinklers and irrigation systems. Residential watering is determined by the odd or even last number in your address.

Monday – NO WATERING ALLOWED

Tuesday & Friday – Non-residential sites (apartments, businesses, parks, common areas, HOA's).

Wednesday & Saturday – Residential addresses ending in 0, 2, 4, 6, 8

Thursday & Sunday – Residential addresses ending in 1, 3, 5, 7, 9

Irrigation or watering of any lawn or landscape is still prohibited between the hours of 10 am and 6 pm at all times throughout the year.

Newly (first year) installed shrubs and trees may be watered up to two hours on any day by handheld hose, drip irrigation or a soaker hose.
